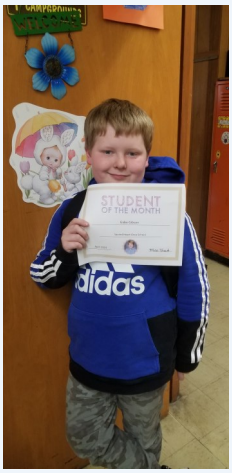
SPELLING

ALL DONE!!!



STUDENT OF THE MONTH

**** AR—15 points- Most of the students already have points!

Several of the students have not returned their report cards!!

The students should be reading 20 minutes a night. Please remind your child to continue to read .

In Minnesota History they are learning about how mighty forces made Minnesota. They are also researching and writing reports on a Minnesota State Park.

We are reading in our novel, *Where the Red Fern Grows.* We have finished our book .

**Thank you to all the parents who joined us and shared their careers.

Just a heads up. We are responsible for providing and serving breakfast for the 6th grade Graduation Celebration. I am asking for $10.00 from each family and for a couple of people to help out the morning of the breakfast starting about 7:30am. Most of the students have brought in the $10.00. I have 1 response from the parents to help out.

*** Please send a change of clothing with your child just in case someone would slip on the rocks and fall in, as they are crossing the Mississippi River!!

Up coming Dates:

May 24—Itasca Trip

May 25—Pajama, movie, popcorn day

May 26—Breakfast for Grads

May 27—Last day of School
