Mission Statement

In sharing our Catholic faith in Christ, we foster spiritual and academic formation in a positive and welcoming atmosphere that reflects love and respect for all.

Dear Friends and Families of SHAS,

The Challenge Grant is well under way and I am so thankful for the outpouring of support from our many alumni, parents, and all of you who support Catholic schools. I wanted to take some time to give you a quick update on where our fund currently stands. We are so close to finishing up our goal of $25,000! We currently have a little more than $21,000 of designated "new money" donated to this cause, so another $4,000 is all we need to reach our $25,000 goal before March 31, 2022. Once again I am blown away by the outpouring of love and support from the SHAS community. Many of our alumni sent little notes with their offerings, full of support and thankfulness for the Catholic education they received. Know that your contribution will help continue that education for our future generation as they grow into lay and religious leaders in our Church.

Humble thanks,

William Liedl

Principal, SHAS

It's that time of year again, the Catholic United Financial Raffle. The raffle started on 1/14 and will go through 2/27. This is the 2nd biggest fundraiser for our school so it is important that everyone participates to help us reach our $30,000 goal. Every student, K-6, is required to raise $300 per school year between the work-a-thon and the raffle. Preschool is encourage to participate but it is not a requirement, they will get 1 book, more can be requested if you would like to raise even more for our school. Each student is assign certain ticket numbers, when families return tickets, they will be entered under the student that was assigned those tickets. There will be weekly incentives for returning books each week, more books will be available as needed. Please contact Miss Jessi if you would like more books. There is a slottr sign up sheet to sell tickets after mass at all of the churches in the ACC.

All about 2nd Grade

Math: We have been working on adding and subtracting two-digit numbers with regrouping. This week we are starting to move into the 100s and 1,000s. Math continues to be a subject we shine at!

Reading/Writing: We have been reading short stories and poems to work on our fluency and comprehension. This week we talked about Similes and worked on writing our own sentences. The students made an all about my family packet and wrote a short story.

Science: Our class started growing our own herbs in a hydroponic setup. We will be working on measuring and graphing as our plants grow. We have also been learning about how plants and animals grow and work together.

Religion: The second graders have been learning about and preparing for their first reconciliation. We are getting excited to celebrate this sacrament together in February. Please pray for them that they can have a holy experience and feel the joy of God's grace and forgiveness.

SHAS is set up with Amazon Smile. When you make purchases through Amazon Smile, a percentage goes to the school. Go to "smile.amazon.com" and search for SACRED HEART CHURCH OF STAPLES. Set this as your charity. It says the Church, but it routes to Sacred Heart Area School.

Students need to be bringing/wearing winter gear. A jacket, hat, gloves/mittens, snow pants and boots are all required for recess time. When riding the bus, students must wear coats and gloves/mittens. An extra pair of gloves/mittens is a good idea for the ride home as their main ones will still be wet from recess. Please make sure everything is labeled.

Search me, O God, and know my heart; test me and know my anxious thoughts. Point out anything in me that offends you, and lead me along the path of everlasting life.
