Compound words

Cupcake into sidewalk
Bedroom without bulldog
Sometime maybe herself
football

Review words:

Hard more start

Star words:

Butterfly anything

Sight words : want

Away letter even through

What are we studying?

Reading: We are reading, "The Magician's Nephew", by C.S. Lewis. We will do vocabulary and comprehension activities which pertain.

Spelling, Grammar, Writing: Spelling words are listed in the boxes on this page. After a pretest on Mondays, we have spelling packets to complete during the week, and a final spelling test on Fridays. **Grammar skills** are worked on in lessons, and also in the writing that we do. **Writing** projects include journaling to our parents weekly. We will also be doing interviews with our parents, and writing up "news" stories abut them.

Math: We are studying perimeter, area, and circles (circumference, radius, Pi), and will be studying volume, and liquid and linear measurements.

Social Studies: We will test on the Southwest states of our country and will then move on to study the Western Region of the U.S..

Science: We are studying simple machines. From the Storry family, we received an incubator with chicken eggs, which should hatch in 21 days This is exciting for all of us.

Religion: We are reading Bible stories that pertain to Jesus' life and teachings. We continue to learn Bible verses, and journal about how God's word can guide us in our daily lives.
