Cancer touches all of our lives in one way or another. As a third grade service project we would like to add a soft touch to those who have to endure chemotherapy treatments. These treatments last several hours and during that time the patient probably feels scared, lonely, and discouraged. We would like to help cheer them up with a small bag of goodies that may come in handy in the days to follow. These bags will include travel size lotion - **UNSCENTED**, hand sanitizer (**UNSCENTED**), Kleenex, Chap Stick, a small bag of hard candy, a pack of gum, a small puzzle book, soft socks/slippers and a hand written card from the third grade students representing our school. We would like to make as many bags up as possible - especially to have ready in October which is Cancer Awareness Month.

This is where we need your help. We are asking for donated supplies that were mentioned above or a cash donation to buy them ourselves. Each bag cost close to \$10 to make. Any help would be greatly appreciated. If you are able to help, please drop off supplies/money to the third grade classroom. We will take donations up until our school Christmas program. Bags will be made and delivered as supplies come in. Thank you so much for helping us with this awesome project and for hopefully bringing a smile to their faces.

Mission Statement

As believers in God, and moved by the power of the Holy Spirit, we foster spiritual and academic formation of our students in a positive, welcoming atmosphere that reflects a respect for all people.

welcome Back to School! Or in the case of most of our preschoolers this year, welcome to your first day of school. We are off to a great start! Our primary focus during these first few weeks is introducing routines and procedures, ensuring we start our school year off on the right

foot.

I would like to welcome Miss Kari and Mr. Michael to our pre-school staff. They have been a wonderful addition to our school and an absolute pleasure to work with. The atmosphere of support and encouragement in our classroom has been contagious. I am so proud of how well our students work and play together! I look forward to seeing all the great things we can accomplish together.
