Welcome back to school. This is the first weekly newsletter for the 2019-2020 school year. Every Thursday I will send home a copy of the newsletter for families to read, I will also email a PDF. There is a lot of important information as well as updates of what is happening in the school for the upcoming weeks. Each week there will be a different grade level that will have a little blurb talking about what is happening in their classroom. We are all so excited for what this new school year has in store. It is going to be a great year! If you ever have any questions or concerns, feel free to call or e-mail at anytime.

Thank you and enjoy!

👉👈👉👈 Preschool News 👈👉👈👉

Our school year is off to an amazing start! We are and will be focusing on rules, routines and building relationships these first few weeks. I am totally amazed and am so proud of how well our students work and play together already. That is a true testament to the families they come from. Thank you for sharing your child/ren with us and supporting them in their education. Your involvement is acknowledged and appreciated.

We would like to welcome a new face in our preschool classroom and after school care program. Although Miss Shari is new to our school, she is not new to early childhood education. She comes to us with 20 years experience and a large variety of "tools" in her teaching toolbox. We are very lucky to have her! We are also blessed to have Mis Rebecca in our classroom again this year. I look forward to continuing to learn from and with both of them as we educate our future.

Thanks,
Teacher Ann

Many Hands Make Light Work

The students and staff at our school depend on your willingness to volunteer time to our school. Your volunteerism helps lower expenses in our school, gives teachers more time to teach, and adds the closeness of our school family. All parents are asked to help out whenever possible. You do not necessarily need to come into the school during the day to volunteer. Some activities can be done at home or after school hours. Every K-6th family is required to volunteer a total of 12 hours during the school year. Grandparents can volunteer 4 hours of time towards your family's mandatory hours as well! Please fill out and return the "lending a helping hand" form that was sent home today.
