Happy Fish Fry week!

I hope everyone is getting excited for the bonus fish fry this Friday April 23rd, please call 218-833-2795 after 12PM on Friday if you wish to order. Your orders can be picked up between 4:30-7PM. This weekend is also second grade's first communion. What a privilege we will have Sunday morning to witness these little ones of God's to partake in the true sacrament of Jesus's body, blood, soul, and divinity. I know this class has been looking forward to it for quite some time. What a privilege we have as Catholics to partake in this beautiful sacrament each week, daily if we even wish. Jesus comes to us in a simple form of bread and wine, the King of the Universe. He shows us just how much we mean to him by being present at the altar every time the Mass is celebrated. This is why it is such a special time when another person partakes in this sacrament. They can now partake in that intimate moment between God and man, when we approach the altar with reverence and the understanding that we are meeting Christ when we near him. Please lift these students up in prayer as the time approaches. Thank you, Mrs. Detloff, parents and Father Gabriel, for helping these students prepare for this special time. Other notes I want to share is that if you haven't turned in your registration for next school year please do so soon with the registration fee of \$50.00. A huge thank you for those that donated paper towels, and disinfectant wipes to school. We could still use more disinfectant wipes, if anyone wishes to donate these please bring them to Ms. Jessi in the office.

May God Bless each of you always,
Sara Kriefall

UPDATE TO SCHOOL CALENDAR

The last day of school will be Friday, May 28th not June 4th.

FIRST GRADE

First Grade has been very busy lately with hands-on science fun, which is our favorite subject! We have made musical instruments, tornadoes in bottles, constellations using cups and flashlights, and we still have more planned before the end of the year!

As the end of the school year draws near, my time as the First-Grade teacher here also comes to a close. I wanted to express my sincere gratitude to all families, for your support throughout the years.

Not continuing here next year was a very difficult decision for me, as I have a special place in my heart for this school and all of the families I have come to know and love. I am very grateful for all the kindness, encouragement, and cherished memories.

Even though I will miss every one here, I am looking forward to starting my new opportunity to teach at Verndale Area Christian Academy, an Assemblies of God school, which is my denomination.

It's been a blessing to work with all students here at SHAS!

God Bless,

Mrs. DiGiovanni

SHAS is set up with Amazon Smile. When you make purchases through Amazon Smile, a percentage goes to the school. Go to "smile.amazon.com" and search for SACRED HEART CHURCH OF STAPLES. Set this as your charity. It says the Church, but it routes to Sacred Heart Area School.

You can purchase Scrip gift cards right off your phone! Download the Raise Right Fundraising app and use enrollment code 344D58B5656L to join.

Enrollment forms for the 2021-2022 school year were sent home with students. Please return these along with the \$50 enrollment fee per student. These are helpful for the staff when preparing for the upcoming school year. If you have any question, please feel free to contact the school.
