

4th Grade News

Apr. 4-8

This week in reading we read Amelia and Eleanor go for a Ride. It was about Eleanor Roosevelt and Amelia Earhart flying over Washington D.C. They flew at night after dinner. On Thursday we researched Amelia. Here are some interesting facts about her. She was born in 1897 in Atchison, Kansas. She was the first lady to fly over the Atlantic Ocean, and then the first person to fly over the Atlantic Ocean solo. She disappeared on July 2, 1937 somewhere over Howland Islands. It was very interesting. - Gabe

This week in English we learned about adverbs. Adverbs describe verbs. They answer the questions: How? When? and Where?. Sue's cat **pounced** quickly. Quickly is the adverb and it describes the verb pounced. It answers the question "How the cat pounced." Can you think of any other adverbs? - Zachary

This week in religion we continued learning about the Holy Trinity. The Holy Trinity is God the Father, God the Son, and God the Holy Spirit. We are making something that represents the Holy Trinity. The Holy Trinity is the mystery of one God in three Divine Persons. It was fun. - Ashlyn

In Math this week we took the algebra test. It took a lot of time to finish because our brains were

working a lot. And we still didn't remember to check our answers. We had to do division, multiplication, addition, and subtraction problems using variables. In my opinion, I love taking tests. I hope your kid does too. Have a nice weekend! - Lauren

This week in Social we learned more about the Southeast. We learned about what grows there and what they do for the United States. For example, Florida grows the most citrus fruits than in any other state. On Wednesday we had a test on vocabulary and the southeast. - Carter

In Science we are learning about magnets. We are doing three centers. At each center we are investigating different things. Like, how many centimeters away do we have to have the magnet so the paper clip will come to it? Will the magnetic force go through paper, cardboard, and glass? We are asking ourselves how, what if, and why? Investigating centers is very fun! - Emali

The weather is super cold yet, so PLEASE keep bringing your snow pants, hats, and mittens. Sickness is going around again, so keep healthy and stay home if you show signs of sickness

- Mrs. P and the 4th Graders

Spelling

1. dictionary
