Rehearsals for the Christmas Program are going well! Please encourage your child to continue studying their lines. The Christmas Program is scheduled for December 18. There will be two performances that day.

The students are reading the novel Sacajawea, The Guide to Lewis and Clark.

In math, they are now working on multiplying fractions

**The students have been busy with their Secrets Santa's. We will have our party next Friday, where they will reveal who they had. Please bring a present worth between \$5.00—\$10.00. They may also bring a snack to share.**

**Mid quarters are coming home today! Please remind your child to be reading for AR points.**
