

Dec. 7-11

# 4th Grade News

This week we practiced three times for our Christmas program. First, we practiced in Mrs. Trout's room. We all kind of knew our parts. Then, we practiced twice in the church. It was great at Church. I hope we do good at the program. See you there! - **Lauren**

In Science, we are talking about Matter, and we made a Matter Foldable. It talked about solids, liquids and gases, their properties/atoms. It was fun! - **Ashlyn**

This week in Math, we learned about Order of Operations, or O.O.O. The way we do it in order is PEMDAS: parenthesis, exponents, multiplication and division, and lastly addition and subtraction. - **Gabe**

This week in English, we learned about Main and Helping verbs. Main verbs show action, and helping verbs tell about the action. Together they create a verb phrase. Examples: "am going," "will show," and "has taken." - **Emali**

This week, we made Christmas cards for the American troops that can't come home for Christmas. Just imagine not being able to come home for Christmas. U.S. troops give up so much everyday that we don't even recognize. Thank God for them every single day. - **Zachary**

This week our story was "The Stranger." It was about a man who couldn't remember who he was after getting hit by a truck. we thought he was Jack Frost, because the cold weather never came to the family's farm. - **Carter**

Next Wednesday, our Christmas program is at 1:30 and 6:30. Your child is allowed to go home with you after the 1:30 show, but it would be nice to have a note for a heads up, so we can have them packed up to go. Also, the weather is wacky, but the kids still need to wear boots and everything during recess. This will keep them warm and clean..-**Mrs. P**

Also, in order to ship our boxes full of cards to the troops, I am asking that each student bring in \$2-\$5 to help pay for postage. Thank you!!

## Spelling

1. Christmas
2. Santa Claus
3. ornament
4. Jesus
5. wreath
