- 8. government 18. delightful
- 9. cheerful 19. settlement
- 10. actively 20. countless
- 21. suspenseful
- 22. suspiciously
- 23. contentment

Rehearsals for the Christmas Program are going well! Please encourage your child to continue studying their lines. The Christmas Program is scheduled for December 19. There will be two performances that day.

The students are designing games to help reinforce the knowledge they gained from our story, Hatchet. They are almost finished and ready to try them out. It was surprising the amount of details they remembered.

In math, they are now working on multiplying with decimals.

In English, they are learning about abbreviations.

In social they are learning about European explorers. Test next week.

****** Our trip to the Audubon Center of the Northwoods is now scheduled. The dates are April 29—May 1, 2019.*******

Up Coming Events:

December 14—Early Out **NO AFTER-SCHOOL CARE**

December 17—Dress Rehearsal

December 19—Christmas Program
