4th Grade News

This week we celebrated Valentine's Day and the 100th Day of School!!! We had some fun games and activities to celebrate. Here are the kid's thoughts on this week!

For Valentine's Reading, we made a story! It was about a Valentine's party. The kids had placed their valentines in a box and then they all disappeared. We had to finish the story as to what happened to the valentines. It was fun! - Ashlyn

We did a Valentine coloring sheet in English. We had to color the adjectives, nouns, and verbs. We also did 100 spelling words for the 100th Day. - Gabe

In Math, we did a Valentine coloring sheet. The picture had math problems all around it; we had to figure them out then color the answer the correct colors. It was pretty easy. - Carter

For the Valentine's party, Emali gave us the opportunity to try some seaweed that her grandma brought back from Korea. It was ok, but it was salty. At the end

of the day everything was great. - Zachary

On Wednesday we celebrated Hundred Day. To incorporate math, we all did 16 of each: division, adding, and subtracting problems. That's 100 problems of each!! We also made as many equations as we could that equaled to 100. - Emali

This week on Wednesday it was the 100 Day. We picked out of a tub to see which number we were supposed to do. I picked #1; that was 100 exercises! We were really hot when we got done with it. We also had snack. Everyone brought 100 things to share. It was so much fun. - Lauren

- Mrs. P and the 4th Graders
