WACKY DAY

We had a great time during Catholic Schools Week!

Our story “ The Midnight Ride of Paul Revere” is an example of a poem. The story describes the events that began the Revolutionary War. We were finally able to take our test.

In math we are working on angles. They can classify types of angles, draw angles, and measure angles.

In English, we are working on types of verbs.

In social we are learning about the history of Minnesota. We tried wild rice and fish (Gold Fish), part of the Native American diet.

In religion we worked in the Venture with the 10 commandments and the Beatitudes.

A big thanks to all who helped to make our Supper/Breakfast a success! We made over \$700.00 for our trip!! The trip is scheduled for May 1—3, 2017
