Feb. 5-9

My favorite part of Catholic Schools Week was the relay races on Wednesday because I loved stacking cups against Andrew and to root on my team. I had won the match but I got to have fun. I want do that every day. I wanted to go twice but didn't. I can't wait for next year. - **Jameson**

My favorite part of Catholic Schools Week was pajama movie day! That was on Friday. It was so comfy to wear our pajamas and to watch movies all day! Why I loved it is because we wore pajamas, and watched movies. We watched *Baby's Day Out!* We also watched *Captain Underpants*; those movies were so funny. I also loved presenting our whales! I did an orca whale. We also drew an orca whale! We also learned about baleen and toothed whales. It was so fun!! - **Isabel**

My favorite part of Catholic Schools Week was color wars. The color wars are relay races. 4th grade got to build Lego towers. On Friday, we watched *Baby's Day Out* and *Captain Underpants*. On Wednesday, the people that didn't do the relay races did cup stacking, (the towers were big). On Thursday, we all wore hats, I wore an Indiana Jones hat that actually says Indiana Jones! - **Eli G**

My favorite part of Catholic Schools Week was when we had to throw the golf tees into the construction hats. I liked stacking cups in a

race, my team lost. Our class had fun pinning the nail on the hammer head; it was fun. We got to guess how many Legos were in a jar. On Friday, we watched movies but I had to leave early - **Riley**

My favorite part of Catholic Schools Week was watching the relay races. I thought talking to Skye about Roblox and musical.ly was fun so we knew what to do when we actually play. Talking to her well watch was the best. We were very bored but we had fun I think. Later we went home and played Roblox and that was the fun part. We just played until I had to go to bed. Just to tell you this this is how I had fun. I'm done. Bye. - **Lexi**

My favorite part of Catholic Schools Week was everything. On Monday, it was color wars and relay races; our color was purple. On Tuesday, it was Wacky day; it was pretty wacky at school. On Wednesday, it was beach and tie-dye. I wore a tank-top, capris, flip-flops and a pair of sunglasses. On Thursday, it was hat day and SHAS appreciation day; I wore a baseball hat and a SHAS shirt. On Friday, it was p.j. and movie day; it was the best time ever. We watched *Baby's Day Out* and *Captain Underpants*. - **Avery**
