24. counselor
25. denominator

Up Coming Events

- Feb. 21—Mid Quarter
- Feb. 25—Pennies for Patients
- March 4—Spring Pictures

On Monday we will begin our service project, Pennies for Patients. The first collection date will be Friday, March 1. The second collection date will be March 8.

PENNIES FOR PATIENTS

We will be adding a new element this year. We will be taping Father Gabriel to the wall with duct tape! Stay tuned for further details!

In science they learned about solids, liquids, and gasses.

We celebrated our hundredth Day of school with several activities. They made a hat, flipped a coin 100 times and charted it, and described what they would be like in 100 years.

To observe President's Day, they chose a president, researched, and wrote a report about their choice. They found out some interesting facts.

In math they took a quiz and learned how to multiply fractions.

In Religion we read in our Venture and played a game

In Minnesota History, they learned about Duluth and Father Hennepin.

Most of the students already have most of their AR points. There are a couple who don't have half their points yet.
