Forwards toward against

What are we studying?

Reading: We are reading the book, "20,000 Leagues Under the Sea" by Jules Verne, adapted by Judith Conaway.

Spelling, Grammar, Writing: Spelling words are listed in the boxes on this page. We have spelling packets to complete during the week, and a final spelling test on Fridays. **Grammar skills** are worked on in lessons, and also in the writing that we do. We wrote pen pal letters to a 4th grade class in Oklahoma. We are anxiously awaiting their replies! We are presently studying figurative language.

Math: We are studying fractions, and should be doing so for most of this quarter.

Social Studies: We are learning about the Southeast Region of the United States...its geography, climate, natural resources, industries, cities, people, etc.

Science: We are studying extreme weather, such as hurricanes, tornadoes, etc.

Religion: We continue reading Bible stories. We learn Bible verses, and will journal about how God's word can guide us in our daily lives. We are presently reading about Esther, and how God had her in His hands, and in the world, for "such a time as this".

Bible Verse of the Week

"Do not judge, or you too will be judged, for God will judge you in the same way that you judge others."

Matthew 7: 1,2
