STUDENT OF THE MONTH—LEXI

We spent the week learning about Epiphany.

In reading we started back in our Basal reading book. The story, *Inside Out*, is an example of realistic fiction.

We finished our unit on mean, median, mode, and range, in math.

In English they finished the unit on nouns and started a new unit on verbs.

In science, they learned about flooding.

In social studies, they learned about the first permanent European settlements in North America.

Tickets are coming home today for the Catholic United Financial Raffle.
