Is it  
Spring,  
yet?

In religion, we are studying about Holy Week. We acted out the Passion for our Lenten Service.

In reading, they learned amazing facts about how animals adapt in nature and took the test.

In math, we started on geometry. They can measure, and classify angles and triangles.

In Minnesota History, they are now on to Zebulon Pike, an American explorer. He thought he found the source of the Mississippi!

\*\*\*\*Only five students have turned in their Triple A forms.\*\*\*\*

In English, they continued working on using adjectives to compare.

HAPPY  
EASTER!!!
