

4th Grade News

March 30-April 1

HAPPY Easter!!! We had a very short week including: three days of a short spelling list, mastering fractions, reading comprehension, Easter projects, and even two different skits about Jesus during Holy Week.

We have been working so hard on fractions, and we have watched almost all the videos. We are going over everything we have learned so far and trying to do exercises by ourselves. From decimals, to dividing, to even adding and multiplying. A couple more days and we should be masters at fractions.

On Wednesday, we went on an Easter Egg scavenger hunt. We had to find a clue hidden in an egg somewhere around school. We used our brains to solve the riddles inside then followed each clue to the next egg. We had so

much fun!! The last riddle led us back to the room for some Easter treats.

The skits went well. Fifth - second graders each had a part to play in the Passion of the Christ. Some even were able to wear costumes and have props. They did awesome and the little kids enjoyed it.

Student of the month is Keegan, and he is also the top AR reader for Qrt 3. Congratulations Keegan!

Hopefully the weather keeps cooperating with us and we have a "egg-septional" Easter. Report cards were also handed out this week. Please look at them, sign, and return.

May your weekend be happy, healthy, and sunny! God Bless!
