Thank you to all who turned in money this week! Duct Tape Father Day has been rescheduled to March 13. Father had a conflict on the 12.

They have been busy learning about fractions in math. They have been using different types of activities to help become familiar with what fractions are and how to use them.

In Minnesota History they have been learning about the early people of Minnesota. They have also been working on the geography and symbols of our great state.

In reading they are learning about the poem “The Midnight Ride of Paul Revere”. They have been working on their fluency skills by reading to the Kindergarteners. We are just finishing “ I Love to Read” month. We made a journey to the Public Library, listened to mystery readers, and read by flashlight!

In Religion we are preparing for the church season of Lent, beginning with Ash Wednesday, March 6.

In English, they continue to work on types of verbs.

Mid quarter reports are coming home today.
