25. tsunami

Up Coming Events:

March 29—End of the Quarter

March 29—Fish Fry

April 1— Quarter # 4

April 2— Retreat

April 4—Conferences

They are just about finished with fractions in math. They have been using different types of activities to help become familiar with what fractions are and how to use them.

In Minnesota History they finished learning about Zebulon Pike . They have also been working on the geography and symbols of our great state.

In reading we finished the novel unit, “Trouble River”! They enjoyed learning about an adventure on a river. We will be back to our basal reader again next week.

In Religion we have been working in our Ventures and doing activities to prepare for Easter. Have they been coloring in the days on their Lenten Journey calendar?

In English, they finished verbs and are now on to pronouns.

In science they have been learning about types of energy.

Conferences will be on Thursday, April 4 . I will be available from 3:30—6:00. If you want to schedule a time, you can email or send a note.

I am sending home a packet of information for the Audubon Center. There are several forms that need to be filled out. I would like to have these back by April 8th if possible.
