**We had a great time at the Audubon Center of the Northwoods. Pictures will be out next week!**

They began reading “Where The Red Fern Grows”. They finished the first 7 chapters. They are working on point of view, characterization, and setting.

In math, they are now working on geometry. They are working on area and perimeter.

In Minnesota History, they learned that Minnesota became a state on May 11, 1858, that we rank 12th in size, and that we are 70 times larger than Rhode Island.

We will be taking a fieldtrip to Long Prairie to the Todd County Historical Society in conjunction with Minnesota History.

In religion, we have started the rosary again.
