4th Grade News

This week has gone by way too fast! There were many things we needed to accomplish and accomplish we did. We finished our final chapter book, "Flying Solo", and the kids enjoyed it. We also took our last spelling tests for the year. Everyone received a high-five with a "Congratulations, you just took your last spelling test." They were super excited about that!

We were also able to celebrate Andy's birthday on Wednesday! Happy Birthday Andy! Also on Wednesday, we tie dyed our t-shirts. They turned out tie-dyed awesome!

On Friday we celebrated the 5th graders graduating from Sacred Heart Area School. We started out with mass and afterwards we hosted a small breakfast for the graduates and their families. Thank you to the families that donated food and supplies.

After we served and cleaned up, the rest of the

classroom time, we cleaned our desks, finished last minute homework, and even created some books to take home. After cleaning out the desks, shelves, and lockers, our garbage is pretty full. Sorry garbage man!

We have a day and a half left of school. With no school on Monday, we will come for a whole day on Tuesday and only a half a day on Wednesday.

Tuesday will consist of last minute things to do, finish cleaning, awards, and some fun.

Wednesday will consist of some fun morning things, with an all school mass at 10:15 and a potluck lunch to follow. We will be eating and celebrating North of the School. Families are very welcome to come. Please bring a dish to share.

I hope everyone has a fantastic Memorial Day Weekend. Stay safe, dry, and blessed. I'll see everyone on Tuesday
