4th Grade News

What I am going to miss most about 4th grade is seeing my friends and all the memories we've had over this school year. It was very fun all our field trips. Like the Audubon Center, fishing trip, and the twins trip. That was my favorite one. Over the last month I've been thinking Summer, but Summer is going to go by fast. I will probably only see four of my class mates over the Summer. We have a half day of school left, so we are to make the best of it. There was lots of funny moments that we had. Some examples are like when Isaac blew on a bunch of dust and it got all over his head and shirt. During the Summer I am going to play sports, have friends over, and jump on my trampoline. I hope I have a little fun. I will miss you all see you guys

who are still coming to this school in 5th grade. If you're not coming have fun at your new school. -Jack

What I will miss most about 4th grade is field trips because they were all really fun. We didn't have as many in 3rd grade. This year we had 5-9 field trips and in 3rd we had 2. - Keegan

I am going to miss Mrs. P because she was the nicest teacher ever. She would also play lots of games at recess. She also made us laugh a lot and that made class a lot more fun. She would also let us go out for extra recess a lot. I was gone for most of them. But that didn't matter. This Summer I am going to ride dirt

bike. I will also have my friends over. I will also go fishing a lot. - Colby

What I am going to miss most about 4th grade is Mrs. P and my friends because if I didn't have my best teacher I wouldn't be writing this down. And everybody needs friends so you don't get bored. I will miss the music Mrs. P puts on music we are doing work. I will miss the morning runs around the school and the church. This summer I am going to ride dirt bike, ride bicycle, go on a water slide, and have fun staying up late and having friends over drink MTN Dew and

suck the little baby suckers. - Isaac

What I am going to miss most of 4th grade is my friends because I'll have no one to play with except my brothers. But all they do is mess up my room. Plus friends are better than brothers or sisters. I'm going to miss Mrs. P the most. Because she is the best teacher in the history of 4th grade.

Thank you Mrs. Przybilla - Kierston
