

# 4th Grade News

May 8-12

This week in Social, we have been learning about Indian tribes and buildings from the Southwest. I know all of them. Well, I can't remember 2 of them. We only have 4 and it's pretty easy. Right now we are coloring a picture of the Indians and I am almost done. We have a test soon. I hope I get 100%. - Lilly

In English this week, we have been learning about prepositions. A preposition is a word that shows a relationship between a noun (or pronoun) and some other word in the sentence. Prepositions can show where people or things are located. The cat is sitting on the log. On the log, is the prepositional phrase, on is the preposition,

and log is the object of the preposition. Prepositions can also show time relationships. Eric will take the test during lunch. During lunch is the prepositional phrase, during is the preposition, and lunch is the object of the preposition. - Bryan

This week in Math, we are learning about triangles. If 3 sides are equal, it is an equilateral triangle. If 2 sides are equal, it is called an isosceles triangle. And if no sides are the same length, it is a scalene triangle. We also learned that every triangle has two acute angles, and whatever the third angle is, it is that type of triangle too. (acute, obtuse, and right.) - Joe

In religion, we are doing the rosary for all of May. On Thursdays and Fridays, we do it at the end of mass. - AXEL

This week in reading the story moonwalk. It was about these two brothers. The older one was Vern. the younger one was Gerry. Vern always called Gerry a runt. They lived on the moon. Vern taunted Gerry until he finally jumped over the rille. They include real facts about the moon, because this is a science fiction genre story.in the end Vern fell in. this surprised me because in the beginning he was the one who was acting all confident and cocky. It was a fun and enjoyable story. I liked it. - JADE

This week for extra things to do we finished up our poems such as shape/ concrete, school, and alphabet poems. Don't forget our acrostic name poems. We drew shapes and wrote the poem on it. We typed up all the other ones and put them on a perfect paper. We thought it was awesome. - JACOB and SOPHIE

We had 2 NWEA tests out of three done on Wednesday. We did our reading and our English test all in one day. We did that because Mrs. P had the library reserved for us all day. So we decided to do two of them to get them out of the way. It was quite fun. - DRAKE
