This week we have been reading a chapter book, and we have been enjoying it. It's about a demi-god, Demon, that is caretaker of all the beasts of Olympus. We are half way through it and we are learning about different gods and goddesses, and the beasts that they love. We are having a lot of fun discussing the book.

On Monday, we are going to Duluth. We will be learning about different animals in the aquarium, and even the different kinds of rocks that are around the Duluth area. Please bring a snack for the way home. We will be back around 6:00. Also, **dress in layers!!** Bring a hat and small mittens if you have them. We will be riding on the boat in the middle of Lake Superior, so I know it will be colder. The weather can change up there. There will be no extra clothes to give to the students.

On Thursday, is 5th grade graduation. Please have your muffins, orange juice, and selected item in school before Thursday morning.

On Friday, is Hooked on Fishing. Once again, **dress in layers!!** We are in the middle of a lake where the wind and cold can really get to you. Bring a warm jacket, hat, and small mittens.
