## Principal's News from Jim Opelia, Principal

### Half Time Report

Sacred Heart Area School started the second half of the school year Tuesday morning. It is a great time for teachers, parents, and students to refocus on what we are doing. Are we maximizing our time with students in the classroom, challenging each individual student to reach their greatest potential? Are we focusing enough time with our children in the evenings to prepare them for the next school day, and making sure they are spending some time reading? Are we listening to our parents and teachers and finishing our homework on time? And for all of us, are we remembering to keep God at the center of our lives? Thinking about what we can do to better ourselves is the first step in being a better you. I need to do this more often, and I am sure I am not alone. We wish all our families and staff the best in the second half of our school year! Thank you everyone, for your great work so far this year!

### Kick-off

Catholic Schools Week is ten days away. Next weekend we will have our Catholic Schools Week Kick-off Masses in both towns. We hope your family can attend. Please have your child(ren) wear their SHAS uniform to either mass you may attend and sit with us upfront. This is the best way to show our supporting parishioners how much we value our school. If you would like your child to have a mass part, please sign up by tomorrow. The SHAS 4<sup>th</sup> and 5<sup>th</sup> grade students will be hosting a spaghetti dinner after the 5pm Mass on January 28<sup>th</sup> at Sacred Heart, Staples and a pancake breakfast after 10:30am Mass St. Michael's, Motley on January 29<sup>th</sup> Catholic Schools Week (CSW) Kick-off Masses. Free-will donations are accepted to go toward their spring fieldtrip to the Audubon Center. CSW will be observed across the nation January 30<sup>th</sup>-February 3<sup>rd</sup>.

Throughout CSW we will celebrate who we are as a Catholic school through community outreach and fun events, including a community dance February 1<sup>st</sup> at 6pm. We will wrap up the week with our annual carnival Sunday, February 5<sup>th</sup> from 9:30am until 1:00pm, at which time we will have our raffle drawing.

### Someone to Lean On

Yesterday we celebrated our support staff members with a luncheon in the library, and extended free time to relax over lunch time. Lunch and duty coverage was provided by the teachers and principal. The children made cards for these special people who we count on every day to do so much for us to keep our school functioning and meet each student's needs. Thank you all so very much!

Our Preschool Service Project, the December Food Drive, was a HUGE success! Our school raised over 500 pounds of food and almost \$300 in cash donations. Thank you all for supporting us! The preschool class brought in the most pounds of food, but the Fifth Grade class brought in the most overall donations. The Fifth Grade class is the winner of the ice cream party, but because the whole school went far beyond our expectations they will all receive Root Beer Floats. We are busy preparing for the School Carnival! Tickets have been coming in steadily! Please remember to return the ones you are not going to sell. They all must be accounted for and we have students willing to sell more. On a final note, the Preschool class is asking everyone to save their plastic milk caps. We will be using them to reinforce and review the alphabet with our students. Thanks!

The first school calendar that went out this fall showed that we would be having February and April 3<sup>rd</sup> off for teacher workshops. When we planned this we were following the school districts schedule, since then they have changed to school being in session those days so we will also now be having school on those days!
