2016 Fish Fry Committee

Fish Fries

The K of C working the first 2016 SHAS fish fry
As part of the Catholic tradition, SHAS is hosting Community Fish Fry Dinners every Friday during Lent from 4:30pm to 7:00pm. This has become very popular in our community with some of the tastiest affordable meals produced by our school families in Sacred Heart Church of Staples. This series of dinners raised approximately \$9,000 for our school each year for the last two years. We are grateful to the Knights of Columbus for working our first fish fry last Friday during our school's four day weekend. We especially thank the members of our fish fry committee, who work tirelessly every Friday to ensure each fish fry is a success.

The Road Map

As part of your information sharing about our school, invite your friends and neighbors to explore, sacredheartareaschool.org. We want our current families and prospective families to know what this school has to offer.

Reach Out

Our Preschool and Kindergarten roundup will be held **March 22nd** from **6:00pm-7:30pm** in the school gymnasium. Please help us reach out to new families from our neighborhoods by spreading the word about our school. We invite parents with children from ages 3 to 5 years or any family interested in attending SHAS to attend this event. Pizza will be served at 6:00pm.

Represented and Informed

Each month the school advisory board meets with the principal and pastor to discuss planning, and decisions to be made for the school. This board is made up of school parents and parishioners representing you. If you have concerns or visions for the school that you would like to see addressed talk to the principal or one of the board members. They are; Chris Perius, Michael Cole, Tom Brichacek, Katie Noska, Tracey Jimenez, and Carol Lisson. To **keep informed** of what is happening, you can find **board meeting agendas and approved minutes on the school website** under the top tab "SHAS NEWS" and then selecting "School Advisory Board".

SAVE THE DATE

Sacred Heart Area School invites you to join us for our **2016 Spring Blast**

The next planning meeting will be held on March 1st at 5:30. We would love to see you there!

This week we celebrated Valentine's Day and the 100th Day of School!! We had some fun games and activities to celebrate. Here are the kid's thoughts on this week!

For Valentine's Reading, we made a story! It was about a Valentine's party. The kids had placed their valentines in a box and then they all disappeared. We had to finish the story as to what happened to the valentines. It was fun! - **Ashlyn**
We did a Valentine coloring sheet in English. We had to color the adjectives, nouns, and verbs. We also did 100 spelling words for the 100th Day. - **Gabe**

In Math, we did a Valentine coloring sheet. The picture had math problems all around it; we had to figure them out then color the answer the correct colors. It was pretty easy. - **Carter**

For the Valentine's party, Emali gave us the opportunity to try some seaweed that her grandma brought back from Korea. It was ok, but it was salty. At the end of the day everything was great. - **Zachary**
On Wednesday we celebrated Hundred Day. To incorporate math, we all did 16 of each: division, adding, and subtracting problems. That's 100 problems of each!! We also made as many equations as we could that equaled to 100. - **Emali**
This week on Wednesday it was the 100 Day. We picked out of a tub to see which number we were supposed to do. I picked #1; that was 100 exercises! We were really hot when we got done with it. We also had snack. Everyone brought 100 things to share. It was so much fun. - **Lauren**
