Principal's News from Jim Opelia, Principal

Save the Date for Family Fun

We are so grateful to our school families for all they do. It takes the efforts of all to make this a great school for our children. People pull together for the good of all. This alone is a great lesson in life for the students.

Slumber Party and Dance

On April 21st, at 6pm, we will have a complimentary **pizza supper** made by Giovanni's Pizza. Your family is welcome! A **dance** and **slumber party** will immediately follow. All these fun treats are earned schoolwide incentive rewards for the students' success with the carnival raffle.

7-Year Plan Complete

SHAS has been working on a 7-year school strategic plan (SSP) as part of our MNSAA accreditation renewal. The 5 objectives developed so far for our school's plan that the teachers, school advisory board, pastor, and principal have worked on, are; enhancement of curriculum, technology improvements, increased enrollment and retention of students and staff, enhancing leadership, and heightening spiritual awareness in us all. Each of these objectives include strategies and action steps to carry them out. We invite all stakeholders to view this document and share their input. A MNSSA onsite visitation team will visit us on April 11 and 12 to evaluate our school's status.

WILD about 4th Grade

Here in fourth grade, we have been working hard, but we took the day off on Monday to see if we could do 100 different activities. Wow! 100 Days of school have gone by. Can you believe it?? All of the activities that we completed covered a range of different subjects. We created 100 hearts out of colored paper and we put things that we are thankful for on them. We then put them into a collage on a poster and it is in the hallway being displayed. We did 100 addition, 100 subtraction, 100 multiplication, and 100 division problems. We read 100 words, guessed 100 corn kernels, counted to 100 by 1s, 2s, 5s, and 10s, and even did 100 exercises. We even brought 100 pieces of a snack to share with our classmates. We had fun the whole day, but we only made it through 44 activities. We were pretty tired by the end of the day. - Mrs. P and the 4th Graders

Mark your calendars and get ready for Picture Day on **Monday, March 6th 2017**. Spring pictures work a little different, no money needs to be sent the day of pictures. Instead, all children are photographed and packages are sent home with your child and you can then decide if you would like to purchase them. Class pictures will also be taken that day so unless your child is sick, please try to have them here that day with their smiles ready!
