### Love Your Planet

As we anxiously anticipate the beauty of the changing seasons and the return of green grass and trees, let us remember the creation that God has entrusted us with. April 22<sup>nd</sup> is Earth Day. We can all, in our own way, celebrate this everyday, especially this month. Please consider helping with our **Adopt a Highway roadside cleanup on April 23<sup>rd</sup>** (If the snow is gone 😊) on Highway 10 between mile markers 112 and 114, between Staples and Motley. Let us know if you are willing to help with this event (must be at least 12 years of age to participate). Have a beautiful week in God's creation!

to bring sleeping bags, pillows, favorite board games, etc... We will have snacks and movies available. If your child is not spending the night, we ask that you pick them up by 10pm, and for those spending the night to be picked up by 7am on Saturday morning.

### Take Inventory!

The school is taking inventory of volunteer hours for K-5 parents, trying to ensure everyone's volunteer hours are counted. Please check your latest school invoice (you should receive this week) to see if your remaining volunteer time matches what you feel you have accomplished. Keep in mind that time is running out to complete your volunteer hours. Each of your 12 required hours are worth \$50 to you. Highway cleanup, Spring Blast, and June's Sunday morning coffee and rolls and garage sale help, are the major events remaining. If you have any questions or comments regarding your volunteer time, Jessi, Connie, or I will be happy to assist you.

### Oh What a Night!

We are very excited about the fun Friday night, April 20<sup>th</sup> at SHAS for Family Appreciation night. Pizza will be served at 6pm followed by the dance at 6:30pm. At 8:30 we will have popcorn and a movie. We look forward to our overnight slumber party as well. Students are encouraged

### Welcoming Family

Are you interested in becoming a welcoming family? Make a phone call to a new school family one week prior to the "Back to School Picnic" and meet them there. Introduce them to other families in the school. Share information with them you feel would be important. If you are interested in becoming a welcoming family, contact the school office, where we will send out more information as summer draws nearer.

# 2nd Grade

Hello Parents!

I hope you all had a wonderful Easter break! We have had a great week so far in second grade. We are continuing to work with money and the kids are so excited about their classroom store. I will be setting it up next week and they will be able to spend the money that they saved. In Reading we are working on silent consonants and reviewing theme and plot. The students really enjoyed reading stories about silly puppies and how to train them! We are super excited to have our Spring Blast project finished and ready to go! I hope to see you all there for some food and fun!
