Principal's News from Jim Opelia, Principal

Family Recognition

Last night's family appreciation dinner was well attended with around 65 in attendance. We enjoyed pizza from Giovanni's and warm fellowship. Thank you families, for all you do throughout the year for our school, especially being a part of our school family. You are greatly appreciated. We especially want to recognize those of you who lead us by working on committees, spending countless hours of your time planning and organizing family events, centennial celebrations, fundraisers, governing, etc... You make it possible for the rest of us to be a part of and contribute to the Kingdom we are called to create with this school family.

Spelling Bee

After pizza last night, SHAS held its annual Knights of Columbus Spelling Bee. Mrs. Bernie St. Pierre (Sacred Heart Area School, teacher, principal and advocate for 58 years) proctored our spelling bee, with Mrs. Trout and Mrs. Ploof judging. Our 4th, 5th, and 6th grade contestants did a marvelous job, battling through nine rounds. In the end, Rose Han of 5th grade came out on top. Contestants were; Ryan Wick, Jack Tyrrell, Katelin Olander, Rose Han (1st place), Alex McIlravy (3rd place), Ryker Beckner, Mary Beth Mathews, Morgan Becker, and Chad Dickey (2nd place). We are very proud of all of you!

Round-up Tuesday

Our Preschool and Kindergarten Round-up will be held this Tuesday, April 8th in the school gymnasium from 6:30-7:30pm. This is an opportunity for families to see what SHAS has to offer, and why each year, more families are choosing Sacred Heart Area School for their children's school. It is also a great opportunity for young children to meet their teachers and see their classroom for next year. Come and join us on Tuesday! We invite all families of Christian faith with children from ages 3 to 5 years to attend this event. Please help us reach out to new families from our neighborhoods by spreading the word about our school.

Here we are already in the final weeks of the school year. The school day never seems to be long enough to get everything done!

We have been working on activities that help to address the issues of prayer, fasting and alms giving for Religion. One example; most days we use the website freerice.com. We are not only helping other people in need, we are also practicing our academic skills.

In math, we have cruised through how to make, name and measure angles.

In reading, we read a story about the findings of the Lost City of Machu Picchu. To also involve geography and writing skills, we watched a video from NOVA about the finding of Machu Picchu. We then wrote about what we learned and are able to show where it is located in the world.

In English, we just finished a unit on types of verbs.

Reminder that we are on duty for the Fish Fry tomorrow night!

God-Bless, Mrs. Trout

You are invited!
