# Scrip

Support our School!

I will be placing a Scrip order on May 1<sup>st</sup>. Order forms were sent home today. Please call the school if you have any questions about how Scrip works!

### Pizza, Dance, and Slumber Party

It is finally here! The overnight slumber party. This is one of the favorite events for SHAS students, having the opportunity to spend the night at the school playing games, dancing, and watching movies. Be sure to bring your family for pizza at 6pm, stay for some music and dance, and fellowship with friends. We do ask that you let us know how many are coming for pizza and how many are staying overnight. This way we have plenty for all without waste, and we can do a better job of keeping track of youngsters. Mrs. Przybilla, Mr. O. and a few parents will be staying overnight as well. We ask parents to have your children to leave their electronic devices at home, to experience good old fashion interactions with their friends. Don't forget your favorite board games, blankets, pillow, and pajamas! If your child is not spending the night we ask that you pick them up by 10pm, and for those spending the night to be picked up by 7am on Saturday morning.

### Thank You!

Thank you Jackie, Bryan, and Eddie for your help last night with cleaning our portion of Highway 10. Our school being a part of the adopt a highway program fits well into our mission, showing our children that our school family has love and respect for God's Creation. We should also take great pride in our sign, showcasing our school, as being a light for all to see, showing good deeds, to glorify our heavenly Father.

### Upcoming Fieldtrips

On May 1-3, the SHAS 4<sup>th</sup> and 5<sup>th</sup> grade students will be going to the Audubon Center of the North Woods in Sandstone Minnesota.

This fieldtrip is filled with fun outdoor educational activities building confidence and knowledge of the natural world in students. Then, on May 30<sup>th</sup> the Preschool-5<sup>th</sup> grade students of SHAS will be taking a field trip to Paul Bunyan Land. This will be accomplished during the school day. Both fieldtrips promise to be very enjoyable as well as educational.

### Arts and Academics Awards Night (AAA)

Next Wednesday night, be sure to join us for AAA performances at the SHAS gym. It is at this meeting every year that we also vote for Home and School Officers. We have two vacancies to be filled.

Grandma Kathy and Anita

### "Great" Grandmas

All of us at SHAS are very fortunate to have such wonderful Foster Grandparents working with our children. We are truly blessed to have Grandma Anita Hove and Grandma Kathy Fuller, who started working at SHAS last year. Our teachers do an excellent job, but our grandmas have an opportunity to work one-on-one with children for extended periods of time. Many of these boys and girls can really use this extra help and attention. We thank them both for their service and love.

# Mark Your Calendar

- Apr 24 - Triple A & Book Fair  
28
- Apr 26 Triple A Performance Night  
6:00
- Apr 29 First Communion

## Mission Statement

*In sharing our Catholic faith in Christ, we foster spiritual and academic formation in a positive, welcoming atmosphere that reflects love and respect for all.*

### ITEMS NEEDED

Only 17 days until the Spring Blast and our garden and liquor wagons are looking pretty empty. Please help out and donate some items to fill these wagons. Together they bring in over \$2,000.00. Watch for sign-up sheets to come home early next week!

**Saturday, May 6<sup>th</sup>, 2017**  
**At Sacred Heart Area School**  
**Social with Bar 5:00 PM**  
**Dinner 6:00-7:00 PM**  
**Silent Auction 5:00 PM**  
**Live Auction following**  
**dinner**

**Limited seating so purchase your tickets now!**

**Individual tickets are \$30 per person.**

**Tickets are available to purchase at Sacred Heart Area School!!**

Greetings from 4<sup>th</sup> grade! We have been busy as always these last few weeks. We finished our Lent Book, where we read the Gospel each day, and completed an activity to go with it. We feel that we understand Jesus' struggle and journey to the cross a little deeper now.

We just finished our unit on matter in science. Did you know that everything is made of matter? Well, it is! Matter is made of atoms, and atoms are the building blocks of everything, so, everything is made of matter! Matter can be placed into three different categories: solid, liquid, and gas. In order to put them into a category, you have to look at its properties: shape, mass, and volume. We loved learning about matter, but it was even more fun to measure matter with scales, graduated cylinders, rulers, and thermometers.

We are also taking our MCA tests this week and next, and we have been practicing pretty hard in class. We hope we do well on these, but remember, it is just a test. – Mrs. P and the 4<sup>th</sup> Graders
