Spring Fiesta Success

This year's spring blast "Spring Fiesta" was enjoyed by many this past Saturday evening, with a delicious traditional Mexican meal, by Detloff Custom Catering. Many donated live and silent auction items were auctioned off, and many game raffles purchased. \$6,100 was raised by the special project attendee donation to go toward new technology equipment for the school, consisting mostly of chrome books for older students and new digital projectors for all classrooms. The total net raised for the school was approximately \$42,000. Thank you Spring Blast Committee for all your hard work preparing for this evening and our Knights "in shining armor" of Columbus for operating the bar. Many thanks to all parents, parishioners and members of the community who contributed in any way. God bless you!

5K and Kids Fun Run

Children running the SHAS Kids Fun Run

On May 6th, families from the community and surrounding area enjoyed participating in the SHAS 2nd annual 5K Run and Kids Fun Run, "Sprint into Summer". 52 registered runners ran the 5K race including some SHAS students. 35 children from the community participated in the Kids Fun Run. This highly anticipated race encourages running in the weeks and months leading up to the race date, helping us live healthier lives. We are grateful to the parents of our school who take the time to organize this run, which is becoming more popular each year.

A Very Busy Week

Next week will be very busy, with our Preschool Concert/Graduations on Wednesday and Thursday at 2:30pm, 5th Grade Graduation on Thursday morning with 8:30am mass and reception to follow at the school gym, Kindergarten Graduation on Friday at 2:00pm and 4th Graders going to "Hooked on Fishing" on Friday. Hooked on Fishing is a drug awareness and prevention program, encouraging boys and girls to get hooked on good habits, like fishing, verses drugs and alcohol. We are grateful to all the members of the community who take fourth graders from our district fishing on this day. **Watch for an end of school-year survey to be dispersed to parents early next week.**

But the fruit of the Spirit is love, joy, peace, longsuffering, gentleness, goodness, faith, Meekness, temperance: against such there is no law.
Galatians 5:22-23

Mission Statement

As believers in God, and moved by the power of the Holy Spirit, we foster spiritual and academic formation of our students in a positive, welcoming atmosphere that reflects a respect for all people.

Spring is finally here, or is it? Just a reminder that our school policy is as follows:

- Shorts are not allowed to be worn unless that morning's forecast is for 75° F or warmer.
- No gym shorts, biker shorts, or cut off shorts are allowed.

Shorts cannot be worn to Mass, however students will be allowed to change into shorts after Mass if the weather is appropriate.

Attendance is always important, but it is especially important over the next couple of weeks while all classes are taking the NWEA tests.

Happy Mother's Day

Hello from Kindergarten!

I cannot believe we only have 16 days of school left! WOW!! Time sure flies when you're having fun and learning lots! We have been very busy in Kindergarten -- trying to finish things up for the year and getting ready for Kindergarten graduation! Graduation is next Friday, May 19th at 2:00 p.m. in the school gym. Hope to see you there! In Religion, we are learning about the different seasons in the church year (Christmas, Ordinary Time, Lent, Easter, Pentecost and Advent) and what colors represent each season (White, Green, Purple and Red). In Math, we are just finishing learning about money (pennies, nickels, dimes and quarters). In Reading, we are reading a story called "Seeds". It is about all different kinds of seeds -- seeds from trees, seeds from fruits and veggies, seeds from plants, etc. We are learning what seeds need in order to grow -- good soil, lots of sunlight, water and space. Happy Mother's Day to all of you mothers and grandmothers! Thank you for all you do!! I hope you all have a great weekend! Get out and enjoy the beautiful, sunshiny weather!
