LAST DAY
of SCHOOL
2014-15

Sacred Heart School's last day of school is May 27th! It is a half day and buses will load at 12:05!

Please note this is different than what is on the district calendar!!

Last Thursday's field trip to the Minnesota Twin's Target Field was enjoyed by many of the SHAS students, staff, and family, as we watched the Twin's beat the Athletics with a score of 5 to 6. All went well with the exception of a little light rain, which our world so desperately needed. Thank you all for making this event so special.

The End of a Great Year

Thank you families and staff for all the great work you have done sharing this year together. All that is left is wrapping up the year, organizing for next, and graduations. We will celebrate the end of this great year together on Wednesday, May 27th at 11:00am with our traditional "End of Year Potluck Picnic". We hope you can join us. This day is a half day of school and busses will pick up students at 12:05pm.

Farewell to Old Friends

At the end of this school year, we will be saying goodbye to two great teachers. Ms. Heather Rinke has accepted a preschool position in Cottonwood, Minnesota. Our Kindergarten teacher, Ms. Jonckowski, will be expanding her possibilities with further education as a dental assistant. Both teachers express a sincere love for the students, staff, and families at SHAS and enjoyed

teaching here. However, this was their time to spread their wings. We greatly appreciate what they have done for all of us and will miss them. We have posted for these position openings and will keep families informed as the positions are filled.

HAPPY LAST DAY OF SCHOOL

Please join us for our annual "Last Day of School" picnic on Wednesday, May 27th. The potluck will be served at 11:00 am, so please be here with your potluck item by 10:30. Each family is asked to bring a potluck item to share. The picnic will be held right here at the school on the north side of the building. Remember it is only a half day of school that day with school being released 3 hours early, buses will be loading at 12:05!

It's hard to believe we only have one full week of school left! This year has flown by! Last week, was a crazy one with the Book Fair, Triple A, and the Twins game. It was sure busy but full of fun! It was so interesting and fun to see all the different Triple A projects and performances. The Twins game was an experience I believe all the students and staff enjoyed. It was so fun to see the looks and excitement of all the students that went to the game! In First Grade, in reading we finished our last weekly story and new spelling words last week. Don't worry we are still reading a ton and are reviewing spelling words we had all year. We also just finished reading, *If I had Animal Feet!* and did an activity which the kids loved! For Math, we have been working on subtracting two digit numbers. In the past month or so, we have been doing about two lessons of math a day. The reason for this is because the First Graders are doing so great in math, which we are able to move on rather quickly. In Science, we have been learning about different types of rocks. The rocks we have been learning about are Igneous, Sedimentary, and Metamorphic rocks. We have been exploring outside to see and find the different types of rocks, as well as bringing some from home. The First Graders are so ready for Second Grade. Although, I am very sad to see them go, I couldn't be more proud in all of them! They all have done so great this year! Have a safe and fun summer!
