

4th Grade News

Nov. 27- Dec. 1

In Social this week, we worked in our book, talked about how a bill becomes a law, reviewed and took our test on Thursday. Some of us should have studied more. **Avery and Jameson**

This week in reading, the story we read was a play. We didn't do any actions. My character was Ava, and my actual name is Ava! It was called Grace and the time machine. It was awesome and a little funny. Everyone had a part and it worked out well. It was about a group of kids who wanted to help Nana, so they invented a time machine and had fun pretending to visit the future and past. **Ava**

This week in English, we worked with Irregular Plural Nouns, and If I Were an Elf. We all got funny elf names, and had to write about them. It was fun doing that!!! **Eli G and Skye**

This week in math, we rounded and multiplied word problems. We even made our own word problems. On Thursday, we took our test! We think everybody did good on the test. We liked it a lot and it was fun. **Eli R. and Abby**

We are still learning about the Beatitudes this week, and we played a matching game with them almost every day. On Monday, we also received a folder with

our prayers in them. We need to learn these prayers by the end of 4th Grade. So make sure you study them!!! We also got our Christmas program parts. It was very fun! **Lexi and Andy**

In Science this week, we finished our Billy Goats Gruff boats. They all took their trip across the pretend Mississippi. Everyone succeeded! It was so fun!! We had to use only four materials to make the boat, it was amazing! We learned how to be an engineer. We had a test on Wednesday. We hope we did good on it! **Sam and Isabel**

We had a great week, and we accomplished so much. The students should have brought home a folder of their prayers. Please make sure to help your child study. The goal is to have these prayers memorized. Thank you

Secret Santas were also sent home.
