Math: We have been busy working on fractions.

Religion: They chose a saint , did research and dressed as their saint on All Saint’s Day

English: We are working on common and proper nouns.

Science: They are learning about volcanoes.

Social: They are constructing Native American Villages.

Reminder: Please be checking your child’s assignment book and sign. Several of the students are not getting them signed each day.

Parts have been given out for the Christmas Program. Ask your child about their part.
