| 23. whirred | |

Rehearsals for the Christmas Program are going well! Please encourage your child to continue studying their lines. The Christmas Program is scheduled for December 19. There will be two performances that day.

The students are designing games to help reinforce the knowledge they gained from our story, Hatchet. They are almost finished and ready to try them out. It was surprising the amount of details they remembered.

In math, they are now working on adding and subtracting with decimals.

In English, they are learning about common and proper nouns.

In social they are learning about European explorers.

***** Our trip to the Audubon Center of the Northwoods is now scheduled. The dates are April 29—May 1, 2019.*****

Up Coming Events:

December 2—Advent begins

December 6—St. Nicholas Day

December 6 - Our Mass

December 7— Mid Quarter

December 14—Early Out **NO AFTERSCHOOL CARE**
