

4th Grade News

Oct 13-15

THIS WEEK:

WOO HOO!! It's MEA weekend!! We had a very short week but we were able to learn a few things. In Religion, we are still learning the 10 Commandments and different ways to remember them, how they affect our lives, and even creating a book about them. We especially love the Fifth Commandment: Honor your father and mother. :) We also talked about each Mystery of the Rosary. Wednesday, we started the Glorious Mysteries. Test next Wednesday on the 10 Commandments.

In English, we are learned how to persuade others, by writing a persuasive paragraph. We used the format of a hamburger, and enjoyed reading them to each other and trying to persuade them to have the same opinion as us.

Did you know that a plant makes its own food? It uses chloroplast to absorb sunlight, water, and carbon dioxide to create sugar for it

to eat and grow big and tall.

We also learned there are many different ways for a seed to scatter so that the plant can reproduce. Science test next Thursday.

Monday and Tuesday, we had a blast learning how to create puppets out of anything. We now know that it takes great focus to control a puppet. It also takes facial features and sound in order for the puppet to be successful. If you give us any object, we can make it a puppet by moving it, giving it sound and emotion, and giving it a story.

We had a Math test Wednesday on adding and subtracting larger numbers to get exact answers, and rounding them to get an estimate. There are about 100 people at SHAS, and there are exactly 10 in our 4th grade room.

Workathon was Wednesday, look forward to pictures and our news to come next week.

Have a fun and safe MEA Weekend!!

-Mrs. P and the 4th Graders

NEXT WEEK:

- Picture retake—Tues. 21
- Our next mass—Thurs. 23

FUTURE:

- Sacred Heart Fall Dinner—Sun. 26
- Halloween Dance—Wed. 29.
- End of First Qrt. Wed. 29
- P/T Conferences Thurs. Nov. 6 3:30-8. Look for more info to come to sign up for a time.

Spelling

1. videos
2. teeth
3. potatoes
