Final le, al, en

Chicken eleven

Given jungle

National several

Natural needle

Single citizen

Threaten diagonal

Paddle animal

Spiral marble

Oval mumble

Tangle frighten

Challenge words

Strengthen knuckle

Individual cubicle

Three-dimensional

What are we studying?

Reading, Language, Writing: We will read the novel, Mr. Popper's Penguins, and will do a book study as we read. We enjoyed Jan Brett's many picture books these past few weeks. She is an accomplished artist as well as an author. We will be writing letters to her, thanking her for her books, and asking her questions, as well as telling her a little about ourselves.

Math: We are in Chapter 9 which emphasizes long division, with and without remainders. Practice Math facts with your children, as they should know these multiplication and division facts quite quickly.

Social Studies/Science: We continue to study the regions of the United States, specifically the **Southeast Region**, and will memorize the states and capitals. In Science, we will attempt some "engineering", as well as study the weather.

Religion: Chapter 10 in our Book emphasizes serving the Lord, and serving our Church family.

We will continue to read from the Gospel of Luke, and to journal about what we read.

Happy Valentines Day !

Bible Verse of the Week

"You are the light of the world..."

Let your light shine before others, so that they may see your good works and give glory to your Father, who is in Heaven."

Matthew 5: 14, 16
