Discount indirect  
Unopened disrespect  
Unimportant unlisted  
Disrepair inability  
Disapprove unsolved  
Disobey unsuspecting

### Challenge Words

Disintegrate intolerant  
Disillusioned unappetizing  
unconscious

## What are we studying?

**Reading, Language, Writing:** We are reading the novel, Mr. Popper's Penguins, and are doing a book study as we read. We will continue to do Spelling and Grammar from the workbooks. In Grammar we continue working with pronouns. We made acrostic name poems to go along with silhouettes of ourselves. These will be displayed.

**Math:** We are in Chapter 11 which emphasizes factors,( both prime and composite), and dividing by multiples of 10. We will also be dividing by 2-digit divisors. Continue to practice Math facts with your children, as they should know their multiplication and division facts quite quickly.

**Social Studies/Science:** We continue to study the regions of the United States, currently, the Midwest Region. We will be testing the States and Capitals in this region, so help your child memorize these, by making a match game or flashcard drill. In Science, we will attempt some "engineering , as well as study the weather.

**Religion:** Chapter 11 in our Book emphasizes virtue and holiness, Feel free to read the Venture Magazine that comes home with your child.

We will continue to read from the Gospel of Luke, and to journal about what we read. We also write weekly in our Jesus Journals, copying a scripture verse and talking to Jesus in our own words.

## Bible Verse of the Week

"For I know the plans I have for you, declares the Lord; plans for good and not for evil; to give you a future and a hope."

Jeremiah 29:11
