READING

They finished the second story in the text book, *Thunder Rose*. It was an example of a tall tale They read their AR book everyday at the beginning of class. About half of the students have already reached their AR goal.

RELIGION

They are learning about the 7 Sacraments this year. We started the first chapter talking about the creation story in Genesis.

MATH

They tested on place value and we moved on to Order of Operations.

SOCIAL/Science

They finished and presented their Under the Sea Animal Reports. They did a great job! They began presenting their slideshows.

In science they learned about classifying.

In social they are learning about the first people who lived in North America.
