

Sept. 12-16

4th Grade News

We have our first week in the books! YAY!!

This week we read our first Reading story selection. It was a part of the book *Because of Winn-Dixie*. We enjoyed reading this story because it was funny. The librarian told a story about a bear being in her library, so she threw a book at the bear. The bear then took the book with him!! She is still waiting for the book back. :)

We started English this week and learned about declarative and interrogative sentences. Declarative sentences are just statements that end with a period. Interrogative sentences are asking questions, so they end in a ques-

tion mark.

We also celebrated Axel's birthday on Wednesday!! HAPPY BIRTHDAY AXEL!

In Science we are talking about engineers and engineering. We will be doing a project after we talk some more so we need to start bringing in supplies. Anything that is not of value can be used. Craft supplies, plastic containers, string, yarn, aluminum foil, empty toilet paper rolls, packaging, etc.

We host Mass on Thursday September 22nd at 8:30 if you would like to join us.

- MRS. P AND THE 4TH GRADERS

Weather has been cooling down. Please send a jacket or sweatshirt with to school. If weather is cold enough, no sleeves will equal no going outside. -Mrs. P
