

4th Grade News

THIS WEEK: Sept. 15-19

We survived our first class mass, and we nailed it!! We were given multiple compliments on how well we did. Thank you to those that could make it.

Wednesday we smiled pretty for school pictures. :) and we can't wait for them to come back.

Also on Wednesday, we learned bus safety and on Friday we had our district wide evacuation drill. We learned what to do and where to go for an emergency evacuation.

In Math, we are learning how to order numbers and how to give correct change back. In Reading, we started writing a story that tells about a journey to help us with putting events into sequence. And in English, we

are using our skills to identify "nouns". Our first science test will be next week.

We are learning what it means to be a fourth grader and that there are little kids that look up to us. We are trying to be good role models for them.
