

# 4th Grade News

THIS WEEK: Sept. 2-5

Well, the first week of school has started and ended. We have learned so much already. This week in 4th grade we went on a scavenger hunt to find things in our room. We read a story called *Because of Winn-Dixie* and then made posters about our favorite part. In Science we also had a scavenger hunt. We then used our senses to describe what we found. Our first spelling test was Friday, and we talked about hobbies. We also had our first two masses of the year, and we all behaved super!

We, as fourth graders, are also learning how to write complete sentences. So, if you see us writing can you help us by making sure there is a complete thought, capitalization, and punctuation.

NEXT WEEK:

We will be reading about Lewis and Clark, and we will also be able to go to the Library for the first time on Tuesday. We are hoping to achieve better scores in AR this year.

FUTURE:

We will be hosting mass Thursday, September 18, if you would like to join us. 8:30 a.m. -Mrs. P and the 4th Graders
