

4th Grade News

Sept. 25-29

4 weeks down! This was a great week! We had our normal lessons, but we had a special day on Thursday. It was Grandparent's Day. We were able to celebrate our grandparents and grand friends with mass in the morning. We then went to the gym for muffins and cookies, to look at classrooms, and to even make a few purchases at the book fair. We love our grandparents!

We read a selection from a story called Lewis and Clark and Me. It was a story written from the perspective of the dog Seaman. It was a funny story, and we enjoyed the part where Seaman swam in the river to catch all the squirrels. Did you know that the Indians didn't have a name for a dog that looked like Seaman? They ended up calling him a Bear-Dog because he looked like a bear instead of the usually scrawny dogs they were used to.

We are finishing our math lesson about decimals. We can order them, read them, and round them. On Fri-

day, we played the card game war with decimals to the hundredths. Next week we will find out how much we know by taking our first math test.

We also started an art project to display for fall. We are painting different shades of orange on a piece of newspaper, and then we will be cutting out pumpkin pieces and gluing them together to create a masterpiece.

Since weather varies during the day, please make sure that the students are coming to school with some sort of sleeves. Weather it's a jacket, long sleeves, or a sweatshirt. Better to go outside with them and be able to take them off than be outside and need them.

-Mrs. P and the 4th Graders

Spelling

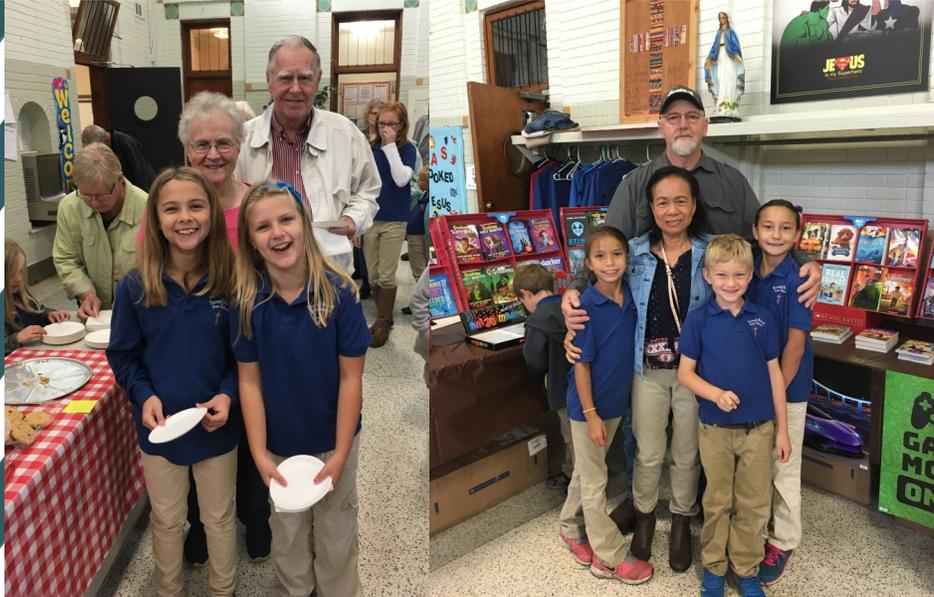

1. sweet
2. each
3. three
4. least
5. freedom
6. below
7. throat
8. float
