

4th Grade News

THIS WEEK: Sept. 29-Oct. 3

Happy October!! This week has been a busy testing week. We had our Unit 1 test in math, and we finished our NWEA testing. We took the Math test on Wednesday and the Language test on Thursday. We all scored within our goals! We also tested on our weekly Reading selection test, and our spelling test.

On Wednesday, we started praying the Rosary because October is Rosary month. Each day we will pray a decade of the Rosary. We even took the lead Thursday after mass.

In Reading this week, we learned about Yosemite National Park. Did you know that it is located in the Sierra Nevada Mountains and is about the same size as Rhode Island? It also is the home to many beautiful waterfalls, the largest active glacier,

and the largest and oldest species of tree in the world. The giant sequoias can grow to over 300 feet tall and 40 feet around, and can live more than 3,000 years. We wrote poems describing the beauty of Yosemite.

Mid Quarter was on Tuesday, look for the reports coming home in our backpacks next week.

NEXT WEEK:

- Oct. 6-10 is Fire Prevention Week. Visit to the Fire Hall on Friday. Posters are due on Tuesday Oct. 7th.
