

4th Grade News

Welcome back to school!!!

This first week has been a great one. Everything has gone by so fast. We are starting to get into the routine of 4th grade.

This is what our newsletter is going to look like every week. It will include what we did this week, a look into next week and the future, and next weeks spelling words. It may also include some pictures from events throughout the week.

This newsletter will be sent home in their folder, be sent as an email, and it will also be put onto the class page on the school website. If you would like to see it, just follow the links to 4th Grade News at:
<http://sacredheartareaschool.org>

This week in 4th grade we went on a scavenger hunt to find things in our room. We read a story called *Because of Winn-Dixie* and then made posters about our favorite part.

In science we had to think outside of the box. Mrs. P wrote a simple task

on the board and we had to follow it. We started writing in our notebooks and after a couple minutes Mrs. P asked why we were still in our desk. After she said that we got up and went about the room to do the task. You can see pictures on the next page. We also had a scavenger hunt and we will use our senses to describe what we found.

On Friday we joined the other grades to honor the fallen and remember what this day means by standing around the flagpole and sharing a moment of silence.

We also had our first two masses of the year, and we all behaved super!

We host Mass on Thursday October 4th at 8:30 if you would like to join us.

- Mrs. P and the 4th Graders
