

4th Grade News

THIS WEEK: Sept. 8-12

The second week is in the books, and we are having a blast. It was our school's Centennial Celebration!! Can you believe it?! 100 Years!! We celebrated by making posters and having Mass with Bishop Kettler. We even had a school dance.

On Tuesday, we visited the Library for the first time this year to find books for AR. Wednesday, we had our first math test, and we rocked it. We learned about place value all the way up to Hundred Million! WHOA! In Science we are learning about classifying plants and animals. Did you know there are 6 Kingdoms and we are in the Animal Kingdom?

We, as fourth graders, are still learning how to write complete neat sentences. So, if you see us writing can you help us by making sure there is a complete thought, capitalization, and punctuation and in our best handwriting.
