| 7. repeat | 17. remain |
| 8. display | 18. sway |
| 9. scale | 19. brain |
| 10. thief | 20. niece |

Religion: We talked about God creating the world and our role in his creation.

Math: They are now working on decimal place value.

Reading: We are through chapter 6 in our book. They have learned about foreshadowing and figurative language.

English: They are learning about subjects and predicates.

Science: They are learning about the 3 types of rocks and about fossils. They made slide shows about fossils.

We are working with Prodigy in Math. I sent home a letter showing how you can participate at home also.

We did a unit on Johnny Appleseed today!

We have the Mass on October 1.

REMINDER: Our class code is LGKCB
