What are we studying?

Reading, Language, Writing: We have read and written about the Pilgrims and the Wampanoag tribe that helped them survive. In **Grammar** we are working on possessive nouns. Our reading skills emphasize Main idea and details, and fact and opinion.

Math: We are in Chapter 5, which emphasizes algebraic reasoning, order of operations, variables and equations. We have begun long division.

Social Studies/Science: We continue to study the Northeast region of the United States., where the Pilgrims landed. We made cornbread and butter in class and will be having a Thanksgiving "feast" similar to the Pilgrim's feast. We continue working on animal reports in **Science**, and will complete them after Thanksgiving.

Religion: We will continue to read the Gospel of John, and journal on our readings. We had our 4th grade Mass this week, with each of us participating in a reading. Please continue to practice the prayers at home with your children.

**Bible Verse of the
Week**

In every thing
give thanks, for
this is the will of
God in Christ
Jesus concerning
you.

1 Thessalonians
5:18
