What are we studying?

Reading: We are beginning a new book, by C.S. Lewis, titled, "The Magician's Nephew". It is the last one that Lewis wrote in the Narnia Series, and earlier this year we read "The Lion, the Witch and the Wardrobe, the first in that series.

Spelling, Grammar, Writing: Spelling words are listed in the boxes on this page. We have spelling packets to complete during the week, and a final spelling test on Fridays. **Grammar skills** will be worked on in our **guided writing** that we are doing each day. We are also doing grammar related to our Novel, "The Magician's Nephew".

Math: We are still studying fractions, and are now working with addition and subtraction of mixed fractions.

Social Studies: We will begin studying the Southwest Region of the United States...its geography, climate, natural resources, industries, cities, people, etc. There are only 4 states included in the Southwest Region.

Science: We will be reading a book on Electricity and Magnetism, and doing a worksheet packet that goes along with it, as well as some hands-on activities that pertain to it.

Religion: We continue reading Bible stories. We learn Bible verses, and will journal about how God's word can guide us in our daily lives. We did the Stations of the Cross with Father Gabriel leading us.

Bible Verse of the Week

**"I am the good Shepherd.
The good Shepherd
lays down His life
for His sheep."**

John 10:11
